Appointment of three members of the Board of Trustees of the International Research and Training Institute for the Advancement of Women

Note by the Secretary-General

1. On 31 January 2002, the Secretary-General sent a note verbale to all Member States informing them that the Economic and Social Council, at its resumed organizational session for 2002, would be called upon to appoint three members to serve on the Board of Trustees of the International Research and Training Institute for the Advancement of Women (INSTRAW), when the term of office of three members expired on 30 June 2002. In the same note verbale, the Secretary-General requested Governments to submit the names and curricula vitae of candidates not later than 11 March 2002.

2. Under the provisions of the statute of the Institute, the Board of Trustees is composed of 11 members nominated by States and appointed by the Council, with due regard to the principle of equitable geographical distribution. Members of the Board serve in their individual capacities for a term of three years from the date of appointment. They are eligible for reappointment by the Council for one further term. The current membership of the Board is given in annex I below.

3. At the 13th plenary meeting of its first regular session of 1983, the Council, on the proposal of the President, decided to maintain the existing de facto geographical balance of the Board without prejudice to any further decision the Council might wish to take with regard to the composition of the Board and the distribution of seats on it (see E/1983/SR.13). Accordingly, in order to maintain the existing geographical balance, the vacancies should be filled by the appointment of one member from each of the three regional groups concerned.
